Case No. 2:21-cv-01112-TL

STATUS REPORT

Plaintiff Bungie, Inc., through their undersigned counsel, submit the following status report as required by the Court’s Minute Order of September 28, 2022. Per the Court’s Order, the Plaintiff has put together the following timeline and plan for addressing its interests.

Plaintiff has identified “Badger,” one of the remaining Doe Defendants, and has contacted him. Plaintiff has now secured an agreement with the Defendant known as “Badger.” Per the terms of that settlement, “Badger” will be providing Plaintiff with all documents and

1 communications in his possession, custody, and control with respect to the Wallhax Enterprise.  
 2 Additionally, both “Badger” and former Defendant Mr. Nelson have agreed to sit for transcribed  
 3 interviews, which Plaintiff intends to conduct after review of the documents received from  
 4 “Badger.” Plaintiff has not yet identified any of the other Doe Defendants, and does not expect to  
 5 do so unless it obtains additional information regarding the other Doe Defendants’ identities  
 6 from those documents or interviews. Thus, Plaintiff expects either to be able to identify the  
 7 remaining Doe Defendants or, alternatively, dismiss without prejudice as to those Defendants on  
 8 or before November 30, 2022.

9 As Defendant Larsen has failed to appear, Plaintiff moved for a clerk’s entry of default  
 10 on July 13, 2022, which was entered against Larsen on July 29, 2022. Plaintiff intends to file its  
 11 motion for the entry of a default judgment against Larsen on or before December 30, 2022, after  
 12 having reviewed the produced documents and having obtained (it expects) declarations from the  
 13 identified Defendants as to Larsen’s identity, specific role and actions in the enterprise, and  
 14 status as a partner in the Wallhax Enterprise. While Plaintiff does not believe that such  
 15 declarations are strictly necessary to obtain a default judgment against Larsen, their availability,  
 16 if obtained as expected, would allow for the judgment to be based on a more detailed record.

17 DATED this 12<sup>th</sup> day of October, 2022.
